Blue Nation Review	“We produce practical, factual content to delegitimize Trump’s presidency, embolden the opposition, and empower the majority of Americans to fight.”
Breitbart	“News, commentary, and destruction of the political/media establishment.”
CNSNews.com	“The Right News, Right Now. A news source for individuals, news organizations and broadcasters who put a higher premium on balance than spin and seek news that’s ignored or under-reported as a result of media bias by omission.”
Independent Journal	“Traditionally, politics and news have been projected to the American people from a Washington, DC “inside the beltway” point of view, telling them how and what to think. We believe our audience deserves better – to challenge conventional wisdom and traditional coverage.”
National Review	“Conservative news and commentary. We believe that truth is neither arrived at nor illuminated by monitoring election results, binding though these are for other purposes, but by other means, including a study of human experience. On this point we are, without reservations, on the conservative side.”
Newsmax	“Newsmax brings you exclusive stories the major media won't report.”
Talking Politics with Tony Phyllas	“Phyllas has been featured on National Public Radio and The New York Times and is a frequent commentator on radio and television programs.”
The Daily Signal	“The Daily Signal is the multimedia news organization of The Heritage Foundation covering policy and political news, conservative commentary and analysis.”
The New American	“Essential news source for freedom-loving Americans. As you can see, unlike myriad news organs that deceptively slant the news while claiming to be ‘objective,’ The New American forthrightly acknowledges an editorial point of view.”

VodkaPundit (PJ Media)	“We’ve always felt a special connection to the values that make America special, as well as a dedication to keeping America great for our children and our children’s children.”
Washington Examiner	“The Washington Examiner brings its readers the best in breaking news and analysis on politics. With in-depth news coverage, diligent investigative reporting and thoughtful commentary, we’ll make sure you’re always in the know about Washington’s latest exploits.”
Washington Free Beacon	“Dedicated to uncovering the stories that the powers that be hope will never see the light of day. The Free Beacon is committed to serving the public interest by reporting news and information that is not being fully covered by other news organizations.”
