

**SPAN 3701 – Spanish for the Legal Professions
Reusable Assignment**

Fall 2025

**Department of Spanish and Portuguese
Prof. José Pablo Barragán Nieto**

Glosario participativo

During the course of the semester, you will contribute to the creation of an open, collaborative built legal vocabulary that will replace a traditional textbook glossary. This digital vocabulary will be hosted on a share platform and will be accessible to all your classmates, as well as future students of this course. You will be given detailed instructions about this assignment in the course.

Instrucciones

Para cada entrada del glosario, ustedes deben escribir el término en inglés, una explicación breve en inglés, la traducción al español, un ejemplo de uso en español, la abreviatura de su nombre y la fecha.

Cada estudiante debe escribir al menos 10 entradas a lo largo del curso. Los términos elegidos para cada entrada deben estar relacionados con los tópicos legales cubiertos en clase. A lo largo del semestre, tendremos tiempo en clase para trabajar en el glosario, pero es su responsabilidad .
